

Safestore - Property

Safestore are a FTSE 250 REIT and are the UK's largest self-storage company with over 140 stores nationwide.

We build all new stores to at least BREEAM Very Good standards and our UK stores run on 100% certified renewable electricity.

What we look for in new sites

- Sites required over 0.5 acres or buildings from 10,000 sq ft
- Intro fees paid to non-retained agents

Our Target Locations

Requirements:

- Main road prominence preferred
- Existing buildings ideally 10,000 - 100,000 sq ft
 - Warehouses
 - Trade parks
 - Offices
- Freehold or Leasehold sites over 0.5 acres
- Minimum eaves height of 4.5m
- Existing self-storage operators
